

## Thank You:

What a joy it is to have a reason to thank you for your commitment in helping others. Lent provided a perfect time to focus on those in need through our CE Mission to raise funds to support Restore Elikia ([Helping Women and Children of Africa – Hope and Healing to Congo's Fatherless](#)). From the funds raised by the youth's birdhouses as well as the generous donations from all church participants. I know our efforts will help make a difference in someone's life fulfilling Jesus' desire for all to reach out and help those in need!

## FPCEA Youth Group:

The youth group continue to use their gifts to make FPCEA a vibrant place to grow in their spiritual journey. From the creation of their unique birdhouses to sell for the CE Mission (raising over \$200) to their participation in the March Aktion Hawaiian Dance, their artistry and “lively” dance skills exemplify the need of youth in church to keep us all young.

Fingers cross, the chance for a summer retreat will be organized. The official plans will be announced when finalized.
