Interested in getting more involved in the church? Have an hour per month to volunteer? The Worship Committee is looking for interested members from the congregation to help with the design and format of our Sunday services. It's a great way to participate in your church without committing to a huge amount of time. Here's a chance to contribute in a way that is rewarding and hands-on. See the evidence of your input every Sunday! If interested, contact Annie in the office at: 716-652-0160 or office@FPCEA.org.

Our annual food drive for FISH of East Aurora is underway! Project 5000 comes from the Bible story in which Jesus feeds the crowds of people with five loaves of bread and two fish. We are called to help those who are struggling. The FISH food pantry is in great need of food and is right here in our village! The food collection will run February 25th- March 24th. Please place your bags on the stage in the assembly room. On March 24th we will ask for volunteers to help load cars and drop the food off to FISH. Also, any financial donations collected in the mission envelopes, will be dedicated to Project 5,000. We can shop for you if you are unable to. Our goal is 100 bags! Thank you so much for your participation! -Submitted by Sara Cuppenberger
